--	--

By submitting this registration, I consent to and authorize, without further compensation, the use and reproduction of any and all photographs taken of me or anyone associated with me. Negatives and positives remain the property of the Reuben H. Fleet Science Center. Program grade levels indicate the upcoming grade level of the child. We will not enroll campers that do not meet the grade criteria for each camp. Participants are enrolled on a first-come, first-served basis with members receiving priority if registrations are received on the same day. If a program is full, registrants not immediately enrolled will be placed on a waiting list and notified in the event of a cancellation. There is a non-refundable deposit required for every program. NO REFUNDS WILL BE ISSUED for the non-refundable deposit unless the program does not meet a minimum enrollment and has to be canceled. In this event, the registrants will be notified the week prior to the program date, and a refund will be issued at that time. Parents, guardians or others who are picking up and dropping off students attending our classes will not be able to access the Fleet's paid admission areas without purchasing admission. We reserve the right to dismiss students without refund from the program for reasons of behavior or tardiness.
