

SUMMER CAMPS 2017

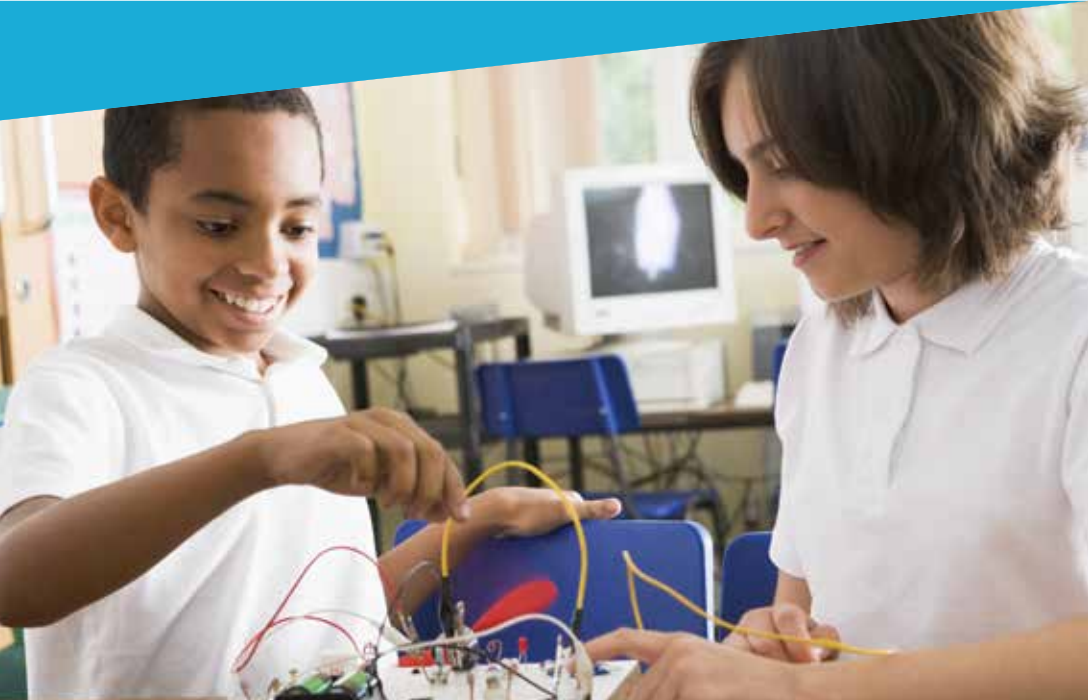

The Fleet turns curious kids into happy campers! Our science-themed summer camps provide exciting experiments, intriguing investigations and fantastic fun. (Oh—and don't tell the kids, but they'll be learning a lot, too!) We have something for all ages, from Pre-K through 8th Grade. Here are just some of the cool camps we offer:

- Magic for Muggles—for your wannabe Harry or Hermione
- Space Camp—blast off to our solar system ... and beyond
- Chemistry in the Kitchen—for kids who love to mix, measure and watch for reactions

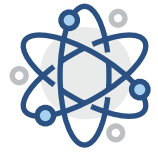

Weekly summer camps are offered June 19 through August 18, 2017, half-day or full-day. Register online or by phone. For detailed camp descriptions, visit: fleetscience.org/summer-camps

As you might imagine, Fleet summer camps are super popular. They will sell out. Don't delay ... register today!

To make summer even more awesome (and more convenient for the camper's chauffeur), many Balboa Park institutions—including the Fleet—coordinate their half-day summer camps so kids can spend a full day in the park. Staff members escort children from one camp to another during a supervised lunch hour. That means that your child can be dropped off at a morning camp at the Fleet and picked up from an afternoon camp at a different venue!

Full-Day Camps

All full-day camps are from 9 a.m. to 4 p.m.

PRICES:

Members \$255 per weekly full-day camp

Nonmembers \$285 per weekly full-day camp

Grades 1-2

June 26-30	Super Solar System and Chemistry in the Kitchen
July 3-7	Energy Explorer and Body Basics
July 10-14	Gross & Gooley Science and Bugs, Rocks & the Wild
July 17-21	Wizards Workshop and Construction Crew
July 24-28	Spy Camp and Forces Everywhere!
July 31-August 4	Bugs, Rocks & the Wild and Gross & Gooley Science
August 7-11	Chemistry in the Kitchen and Super Solar System
August 14-18	Superhero Science and Art-ology

Grades 3-4

June 26-30	Cool Chemistry and eCamp
July 3-7	Young Tinkerers and Extreme Earth
July 10-14	Magic for Muggles and Space Camp
August 7-11	Young Engineers and Magic for Muggles

Grades 5-6

July 17-21	Chemistry With a Bang! and Mars Explorer
July 31-August 4	CSI and Maker Camp

Grades 5-8

July 24-28	Women Scientists in Action and Unseen Science

ThoughtSTEM

Computer Science Camps

ThoughtSTEM shows kids how fun computer science and technology can be! Kids will work collaboratively and creatively in fun, interactive programming environments at ThoughtSTEM Computer Science Camps at the Fleet.

Find out more about ThoughtSTEM Computer Science Camps at the Fleet by visiting:

Spring Camps

What? You don't want to wait until summer for science fun? Then you're in luck, because the Fleet offers STEAM Spring Camps!

At the Fleet's spring camps, new adventures await each day. Grades 1-3 can enjoy an assortment of fun activities using science, technology, engineering, art and math. Grades 4-7 will delve into Computer Science & Technology Camps provided by ThoughtSTEM.

Spring camps will be held **March 27 through March 31, 2017**. Each camp is a full day, from 9 a.m. to 4 p.m. Enroll your little camper for the entire week or individual days!

For description and camp details, visit:
