EUGENE HEIKOFF AND MARILYN JACOBS HEIKOFF  
GIANT DOME THEATER

## ISLAND OF LEMURS: MADAGASCAR

Take a spectacular journey to the remote and wondrous world of Madagascar, where lemurs arrived millions of years ago as castaways. The film highlights the tireless efforts of trailblazing scientist Dr. Patricia C. Wright and her lifelong mission to help these strange and adorable creatures survive in the modern world. (41 min.)

**Mon-Fri:** 1, 3 & 5    **Sat-Sun:** 11, 1, 3 & 5      
(Except: October 3 & 14)

## DREAM BIG: ENGINEERING OUR WORLD

*Dream Big: Engineering Our World* will transform how you think about engineering. From the world's tallest buildings to underwater robots and a solar car race across Australia, *Dream Big* celebrates the human ingenuity behind engineering marvels big and small. The film shows how engineers push the limits of innovation in unexpected and amazing ways. (42 min.) *Dream Big* is a MacGillivray Freeman film in partnership with American Society of Civil Engineers, presented by Bechtel Corporation. Presented locally by The Shiley Foundation.

**Mon-Thur:** 2    **Fri-Sun:** 2 & 6      
(Except: October 2 & 14)

## A BEAUTIFUL PLANET

*A Beautiful Planet* is a breathtaking portrait of Earth from space, providing a unique perspective and increased understanding of our planet and galaxy as never seen before. Made in cooperation with NASA, the film features stunning footage of our magnificent blue planet—and the effects humanity has had on it over time—captured by the astronauts aboard the International Space Station. (45 min.) Presented locally by Pfizer La Jolla Laboratories

**Daily:** 12 & 4      
(Except: October 2)

## THE SKY TONIGHT: GALAXIES

Our Milky Way is one of over a billion galaxies that exist in the universe. Each galaxy contains their own solar systems, nebulae, star clusters, black holes and more. Join us for a tour of the night sky to learn more about the Milky Way and other amazing galaxies. The San Diego County Astronomy Association provides free telescope viewing outdoors, weather and operational requirements permitting.

**October 4:** 7 & 8:15

# EXHIBIT GALLERIES

## GAME MASTERS: THE EXHIBITION

Game Masters: The Exhibition showcases the world's best video game designers, from the arcade era to today's console and online games. And with 100+ playable games, it's game on! (No quarters required.) The work of more than 30 designers who have made a significant impact in the field is explored through rare concept artwork, newly commissioned interviews and interactive digital displays. *Generously sponsored in part by County Supervisor Ron Roberts through the San Diego County Community Enhancement Program.*

## DREAM! DESIGN! BUILD!

Explore the Fleet's collection of engineering activities in Dream! Design! Build! This exhibition will feature the classic favorite Block Busters, the versatile Fit-a-Brick Build Zone and the newest addition to the engineering interactives collection, ProtoPipe. These hands-on building activities invite people of all ages to dream like a visionary, design like an architect and build like an engineer.

## RETRO-ACTIVE SCIENCE

Explore the Fleet's classic collection of hands-on science exhibits, guaranteed to engage your mind and appeal to your senses. Exhibits are designed for all ages and cover a variety of fundamental science principals, from light and perception to physics and engineering. Bilingual.

## POWER PLAY SAN DIEGO

Built exclusively for the Fleet, Power Play San Diego challenges visitors to keep the power grid in balance while maximizing the use of renewable energy sources. *Power Play San Diego was made possible through generous funding from SDG&E.*

## TINKERING STUDIO

We supply the materials; you provide the imagination. Work together to experiment and collaborate on creative activities designed to spark curiosity and foster exploration. Join us to create, experiment and enjoy!

## KID CITY

Kids ages five and under get to explore our working world in a safe learning environment. The colorful, hands-on cityscape includes a Grocery Store, Fire Station, Factory and Little Learners Lab, plus an Infants Only Area. Bilingual.
